- No es posible fabricar la conexión
- Solo es posible fabricar la conexión rotatoria
- Solo es posible fabricar la conexión rotatoria con un tornillo no original

EN BLANCO Sin desarrollar

Las conexiones que realizamos son compatibles con las marcas citadas anteriormente, cuya propiedad es la empresa registrada.

Fresdental está en constante desarrollo de las necesidades de nuestros clientes y de sus sistemas de implantes para diversos modelos de escáner dental (3Shape, Zirconzhan, Dental Wings, etc), por lo que si usted desea alguna conexión que no figure en el listado anterior, rogamos se pongan en contacto con nuestro responsable de producción y se lo comunique, para que proceda a su diseño en un breve espacio de tiempo.
